32nd JOINT MEETING WITH NEW HARTFORD 11/13

The Clinton Historical Society will participate in the 32nd joint meeting with its neighbors from New Hartford at **7:00** on Thursday, November 13 in the Community Room of St. Thomas Church on Clinton Road. Note the time is 7:00 not our usual 7:30.

The program will be the account of the trial between suffragette Susan B. Anthony and Utica lawyer and Republican politician Roscoe Conkling. Mary Chapin will tell us the story of that trial. Mrs. Chapin has a degree from Binghamton University and worked at Marcy State Hospital as a personnel administrator.

New Hartford Historical Society will provide their usual fine refreshments after the speaker. Plan on joining us then for an interesting evening.

PRESIDENT CITTADINO'S LETTER- An Invitation

We are so fortunate in that the spirit of volunteerism is alive and well in our community! As you know, it is this spirit of volunteerism that allows our society to grow and create an environment that not only preserves our heritage for the future but also creates programs to enhance our lives.

We invite you to become a **volunteer** to help us keep the building open five hours a week. We will train you with a short workshop so you will know how to help people share our collection and our history.

Volunteers can also help catalog and accession donated museum artifacts and photos. Computer work may also be needed.

Contact Bob Tegart or me to set up brief training.

Finally, consider giving the gift of **membership** in the Society to family and friends. Dues are \$10 for individuals, \$15.00 for families and businesses, \$25.00 for Friends, and \$50.00 for Contributing members. Christmas is just around the corner and **membership** would make a great gift.

Frank J. Cittadino, President
